FOOD AND BEVERAGES

The Pizza Factory at Point Remove is open and available to cater your event. You can view the menu [here](#) and contact us prior to your event for large orders. Pizza Factory catering is \$12/person with event center or brewery rental.

Outside catering is also welcome. There is a cooler available but no kitchen so outside food should be prepared off site and ready to serve.

No outside alcoholic beverages. Check out our Beer and Wine menus for options. There is a bar in both event spaces and packages are available.
